## Mini Gaffa Tape

STUK Mini Gaffa Tape is a low cost alternative to the large rolls of traditional Gaffa Tape. Using the same quality waterproof outer polythene membrane, cloth scrim, and aggressive adhesive as the best-selling "Simply" Gaffa Tape, STUK Mini Gaffa Tape is a must for every good retail store.

Available in black, silver, white, and high visibility yellow. 50mm wide and 10 metres long, we pack 6 rolls per inner tower, with 24 rolls per outer.

## Simply Gaffa Tape

STUK Simply Gaffa Tape is our economy version of Gaffa Tape for our price conscious consumers. To reach a low price point, rather than lowering the quality, we reduced the length from 50 metres to 50 yards.

Available in black, silver and white. All are packed 6 rolls per inner tower, and 24 rolls per outer.

## Gaffa Tape

STUK Gaffa Tape is a legend. Economically priced, substantial mesh for great strength, full 50 metre roll, professional O-ring packaging with printed card, euro-slot for merchandising in store, and available in black, silver and white.

Just 12 rolls per outer carton, with 3 rolls per inner tower.

A top ten seller all year round.

## Heavy Duty Gaffa Tape

STUK offer a heavy duty version of Gaffa Tape, with a 40% increase in the strength of the mesh. Tough tape for tough jobs.

When your requirement for quality exceeds your desire to pay the minimum.

STUK Heavy Duty Gaffa Tape is available in black, silver, white and a high visibility fluorescent yellow.

12 rolls per outer carton.

## High Visibility Gaffa Tape

STUK High Visibility Gaffa Tape is quite unique. A fluorescent yellow polythene outer membrane – 25% thicker and stronger than standard STUK Gaffa Tape – allows for high visibility repairs, or strapping to overhanging loads, for example. When you have a repair application that needs to be seen.

STUK High Visibility Gaffa Tape is available in 50m and 8m (Mini Gaffa) lengths. Case quantities:

50m – 12

8m – 24
